WHO WE ARE

ZUCO – THE BENCHMARK

Since launching in 2015, ZUCO has grown from an emerging sports brand into one of South Africa’s leading wholesale sporting brands, trusted by schools, clubs, sporting bodies, retailers and resellers nationwide. Through continuous product development, dependable supply and an unwavering commitment to value, ZUCO has earned its reputation as **The Benchmark**.

Our growth is measured not only by the breadth of our range, but by the confidence placed in the brand. During 2025 and 2026, ZUCO was appointed as the **Official Match Ball** supplier to major sporting organisations, including **Namibia Schools Sport Rugby (NSSR), Action Sports Indoor Netball, Limpopo Schools Cricket, and South African Ringball**. These partnerships, together with our continued growth across schools, clubs and sporting institutions throughout Southern Africa, reflect the trust that **athletes, coaches, officials and sporting communities** place in the ZUCO brand.

SETTING THE BENCHMARK

Being **The Benchmark** is more than a slogan—it defines how we develop every product and every partnership. We continuously challenge ourselves to improve quality, refine specifications, strengthen durability and deliver exceptional value, ensuring every ZUCO product performs beyond expectation.

BEYOND SPORT

Today, ZUCO is the **most comprehensive multi-sports brand**, alongside our ever-growing range of performance apparel, travel and sports bags, drinkware, exposure solutions, and custom-manufactured promotional and corporate products. Whether supplying stock ranges or fully bespoke solutions, our focus remains the same: delivering products that perform.

WHY ZUCO?

Industry Expertise

Our experienced team combines decades of expertise in sporting goods, apparel, product development and international sourcing, working with leading manufacturing partners across South Africa, India, Pakistan and China. This knowledge enables us to develop products that deliver consistent quality, dependable performance and exceptional value to **schools, clubs, sporting organisations, retailers, corporate resellers and event professionals**.

RELIABLE PARTNERSHIP

We believe outstanding products deserve outstanding service. Consistent stock availability, dependable supply and responsive support are fundamental to every customer relationship.

EXCEPTIONAL VALUE

Premium performance, professional specifications and competitive pricing combine to deliver genuine value without compromise.

As ZUCO continues to grow, one principle remains unchanged:

ZUCO – THE BENCHMARK.

- Aluminium construction with weighted steel base
 - Cotton grip
 - Designed for training at school level
 - To be used on soft surfaces only

- Available Weights**
- 400g
 - 500g
 - 600g
 - 700g
 - 800g

COMPETITION JAVELIN

Code: ZS-A -J002

- Specifications**
- Competition Grade Javelin made out of extra-strong purpose build duraluminium for enhanced rigdness steel tip and cotton cord grip
 - 700g has the updated length

- Available Weights**
- 500g
 - 600g
 - 700g New length
 - 800g

TURBO JAVELIN TURBO JAV 300G

Code: ZS-A-J003-1

- Specifications**
- 300g Turbo Javelin
 - Durable moulded plastic construction
 - Soft rubber nose for added safety
 - Aerodynamic fin design for stable flight
 - Ideal for developing correct throwing technique
 - Suitable for schools, junior athletes and training

HIGH JUMP UPRIGHT SET

Code: ZS-A-T009

- Specifications**
- This high jump model features a T-shaped, extra-heavy steel base paired with sturdy square aluminum uprights. It's calibrated for heights up to 2 meters, making it ideal for high school-level competition. Includes height selectors.

HIGH JUMP FIBREGLASS CROSSBAR

Code: ZS-A-T011

- Specifications**
- This high jump competition fiberglass crossbar is equipped with square plastic ends for enhanced durability and performance.
 - Size: 25mm in diameter - 4m in length

HIGH JUMP HEIGHT SELECTOR SET

Code: ZS-A-T010

- Specifications**
- Black powder-coated
 - Adjustable lock knobs
 - Set of 2

HIGH JUMP CROSSBAR ENDS SET

Code: ZS-A-T012

- Specifications**
- Durable end caps designed to protect the crossbar and ensure a stable seat on the upright supports
 - Set of 2

HIGH JUMP LANDING MAT

Code: ZS-A-T013

- Specifications**
- The Zuco high jump landing mat features an innovative design with a lighter-coloured landing surface, specifically chosen to reduce heat absorption from the sun. This prevents the mat from becoming too hot, ensuring athletes remain comfortable upon landing, even during intense sunlight. Athletes can focus on their performance without worrying about discomfort from overheated landing areas.
 - 600g Breathable, High Impact UV PVC cover
 - Constructed from 16 density hollow-core ribbed foam
 - Custom Branding: Landing area available for logo branding. Standard mat colours apply

- Available Sizes**
- Junior: 2290 x 1370 x 365
 - Senior 2290 x 1370 x 450
 - Jumbo 3350 x 1520 x 450

COMPETITION HAMMER THROW

Code: ZS-A-HT001

- Specifications
- Polyurethane paint coated
 - Turned cast Iron
 - Specific diameter for specific weights
 - Each includes a hammer throw handle and cable
 - For High School practices and competitions

- Available Sizes
- 2kg
 - 3kg
 - 4kg

- Polyurethane paint coated
 - Rough matt finish
 - Specific diameter for specific weights
 - For high school practices and competitions

- Available Sizes
- 2kg
 - 3kg
 - 4kg
 - 5kg
 - 6kg
 - 7.26kg

COMPETITION SHOT PUT

Code: ZS-A-SP002

- Specifications
- Polyurethane powder coated
 - Precision machine turned
 - Specific diameter for specific weights
 - For practices and competitions

- Available Sizes
- 2kg
 - 3kg
 - 4kg
 - 5kg
 - 6kg
 - 7.2kg

SHOT PUT STOP BLOCK

Code: ZS-A-SP003

- Specifications
- Size: 136 x 11 x 10cm
 - Helps prevent athletes from stepping out of the shot put throwing circle and reduces foot faults during training and competitions
 - Can be installed with bolts
 - Made from Steel

RUBBER DISCUS

Code: ZS-A-D001

- Specifications
- One-piece rubber composition discus
 - Textured rubber surface for a secure grip
 - Uniform weight distribution to ensure predictable flight
 - Safe for Beginners
 - Indoor and outdoor use
 - Perfect for Schools and Clubs

Available Sizes

- 0.75kg
- 1kg
- 1.5kg
- 1.75kg
- 2kg

COMPETITION DISCUS

Code: ZS-A-D002

- Specifications
- Rim material: Made from steel to ensure a balanced flight
 - Plate material: Made from plastic for durability and optimal performance
 - High rim weight percentage (70-85%) to ensure a stable flight path and optimal aerodynamic performance
 - Built to withstand repeated impacts without significant wear
 - Perfect for competitions

Available Sizes

- 0.75kg
- 1kg
- 1.5kg
- 1.75kg
- 2kg

MEASURING TAPE

Code: ZS-A-E001

- Specifications
- Designed for precision and durability
 - Reinforced casing on the 10-30m
 - Reinforced casing and easy-to-grip handles on the 100m
 - High visibility markings for accuracy and reliability
 - CE and ISI certified for added assurance

Available Sizes

- 10m
- 20m

TRAIN DEFENCE DIFFERENTLY

ZUCO Defenda is a powerful coaching tool that enables coaches to instil core defensive principles in netball players at every level.

When defenders understand their role, take responsibility for their space, and commit to the basics, they become powerful.

True defence starts with the individual: the courage to mark tightly, the discipline to shadow with purpose, and the awareness to create interception opportunities.

Once individuals grow in confidence and skill, they begin to connect. Two defenders learn to trust each other., Add these blocks below in Zuco colours.
